

## Sample Questions for Candidate Forum or Questionnaire

A candidate forum is a public event where candidates are invited to express their positions on a wide range of issues. They are an excellent opportunity for constituents to learn about candidates, and they provide an avenue to educate voters about the issues National Council of Jewish Women (NCJW) cares about and for which your section advocates.

Below are sample questions to ask at a forum or on a candidate questionnaire. A complete guide to holding a candidate forum is linked on NCJW's Promote the Vote, Protect the Vote 2022 webpage.
