

ALL ABOUT VOTER ID

VOTERIDERS IS A NONPROFIT, NON PARTISAN ORGANIZATION WHOSE MISSION IS TO ENSURE THAT NO ELIGIBLE VOTER IS PREVENTED FROM CASTING A BALLOT DUE TO VOTER ID LAWS. VOTERIDERS EDUCATES VOTERS AND ASSISTS CITIZENS TO SECURE THEIR VOTER ID.

VOTER ID INFORMATION CARDS

Our state-specific Voter ID Information Cards are among our most popular partner tools. These wallet-sized cards, which are available in English and Spanish for all 50 states and the DC, are a simple and effective addition to any issue-based voter registration, get-out-the-vote or other campaign. One side of the card lists the acceptable IDs for voting and, if applicable, any alternative options for voters. The other side lists our national Helpline number, our website and a QR code for information on voter ID for voting by mail.

VoteRiders prints and ships Voter ID Information cards to 501(c)(3) organizations or others using them for nonpartisan purposes (such as local election offices or public libraries) for FREE in unlimited quantities. You can order cards at: <https://www.voteriders.org/cards/>

HELPLINE/CHATBOT

We have a year-round national Helpline & Chatbot that voters can call or text with questions related to voter ID, and for help to get an ID. The Helpline number is **844-338-8743** and you can access the Chatbot through our website or through FB messenger at m.me/VoteRiders. We respond as soon as

possible to all the requests, and guarantee an individual response to voters within 24 hours or less during election periods. You can list this number in your resource materials, voter guides, flyers, online, promote on social media, and more.

TRAININGS & PRESENTATIONS

We provide state-specific training with in-depth information on a particular state's voter ID laws or give a national-level overview of voter ID laws, VoteRiders' tools and services, and how they can be incorporated into your programming. This training provides an extra layer of voter education to your programming for your staff, volunteers, canvassers, phone or text bankers, or field teams.

PARTNER WITH US!

You can send us lists of voters that your programs has identified as being in need of voter ID assistance. VoteRiders receives these lists, and our trained volunteers or staff members contact the individual

voters directly to follow up with them and address any ID questions or assistance needs they may have, including guiding them through (and paying for) the process of applying for and obtaining a state-issued ID or underlying documents like a birth certificate and social security card. For more information you can go to <https://www.voteriders.org/partner/>.

VOLUNTEER WITH US!

VoteRiders relies on its thousands of volunteers to help spread the word to voters about ID laws and offer our assistance. We host regular virtual text-banks, letter-writing parties, and phone banks. Trained volunteers also support our Helpline and Chatbot and offer in-person and virtual help to voters to get ID.
